

Dear ,

We are organising the production of a 2019 calendar with 12 contributors (1 contributor per calendar month) and invite you to participate.

The invited contributors and their months are:

..... <i>January</i> <i>July</i>
..... <i>February</i> <i>August</i>
..... <i>March</i> <i>September</i>
..... <i>April</i> <i>October</i>
..... <i>May</i> <i>November</i>
..... <i>June</i> <i>December</i>

You have been given the month of

The calendar will address the theme of *PERSONALISATION*. It will be digitally printed using variable data techniques making it possible to produce a series of unique multiples for each design.

The format of the publication is 6.8x8.5' and each contributor gets 1 double-page spread. The possible variable elements are: *TEXT, IMAGE/S, FONT/S, VECTOR/S, LAYOUT, COLOR/S*.

Your contribution should include:

- At least one consistent element
- At least one variable element
- As many versions of the variable element/s as you like (but no less than 12)

A list of the contributors and their work will be published on the Press/Print website: pressprint.press

All contributions must be received by 8 June 2018.
